Declaration
Project no. 300102399

Manufacturer:	Midsummer AB Elektronikhöjden 6 SE-175 43 Järfälla Sweden
Product:	PV modules
Type families:	BOLD, SLIM, WAVE and WIDE

We declare that PV modules of the manufacturer Midsummer have undergone the Fire test acc. to UL 790.

For a defined setback distance of 50 cm from the bottom module edge to the test rack, the spread of flame fire class C was reached for the module families BOLD, SLIM, WAVE and WIDE.

For the burning brand test class C was reached for the aforementioned module types.

Modules were attached to a steel plate for the tests.
